VOL. XVI., No. 5.

B. S. RICHARDS, M.A.,
HEAD MASTER OF BURY SCHOOL, 1912-1923.

Editorial.

As the Land of Little Leisure
Is the place where things are done,
So the Land of Scanty Pleasure
Is the place for lots of fun.
In the Land of Plenty Trouble
People laugh as people should,
But there's always someone kicking
In the Land of Heap too Good.

AS the School year ends, and the Summer term—the last for a number of us—draws to a close, it is natural, at least for those who have grown greyer rather than greener during the twelve months, to look back upon the past, and try to bring the happenings and experiences of that irrecoverable time into focus.

The outstanding *event* in the eyes of all is the resignation of Mr. Richards, who, for twelve strenuous years, has guided the destinies of the School, working with unceasing vigour, unsparing of himself, but greatly considerate of others, gentle, and patient to the last degree with them, and intensely interested in and careful of his charge. All our readers will join us in wishing him every happiness and success in his work at Bradford.

The usual activities of the term have been carried on with more or less energy, as the "powers-that-be" commanded, opportunity allowed, or the weather permitted.

The Corps has worked hard and again passed through the ordeal of the Annual Inspection with flying colours.

The cricket team has been a stronger and better balanced one than the School has had for many years, and has enjoyed a fairly successful season. It is to be regretted that a variety of minor occupations and interests have arisen, striving, with some success, to encroach upon the realm of Willow, the King.

Now that the fateful Exam. week is over, all thoughts are concentrated on the holidays and camp. We hope that all our readers who are intent on indulging in these pleasures may find them even better in actuality than in anticipation, and that all may gain in health and vitality, and be equipped for next term's activities if they are destined to return to School, or for the battle of life in a wider sphere, if it be that they return no more.

Departure of Mr. Richards.

It was with great regret that we heard at the beginning of the term that Mr. Richards was resigning the Headmastership, and that this would be his last term at the School.

Mr. Richards came to Bury at the beginning of the year 1912, and, for nearly 12 years (lean years of war and worry), he has given of his best to the School. He found it small in numbers and somewhat self-centred and intolerant, he leaves it expanded to its fullest capacity, the numbers more than doubled, with more catholic tastes, and a much broader outlook and wider scope.

All those who have known Mr. Richards at all intimately must have been struck by three outstanding characteristics by which he has gained the admiration of all with whom he has come in contact. His tremendous energy is apparent even to the most casual observer. His example has shamed many a slacker into endeavouring to follow a more excellent way of life. He has stimulated others to higher endeavour which they would not have attempted but for his practical demonstration of the possibility of achievements won by unremitting effort. To what extent the School as well as individuals has benefitted in this respect it is impossible to compute. Besides having the care and direction of the whole foundation under his charge, which alone entails almost enough work and responsibility for one ordinary man, he has been in form for most of the day—and for many years—for all the teaching periods. Beyond that, whenever there were extra or unexpected duties to perform, he invariably took upon himself the heaviest part of the burden.

His versatility, too, has often moved us to wonder. In School he not only taught his own particular subjects, but, when need arose, he could, and did, take any subject in the syllabus with almost equal skill. On the cricket, hockey, and football field, he has been an encouraging influence; for years he has maintained consistent form as a batsman in the team; frequently, too, he has been the most successful bowler of the season, and, as a fielder, he has set an example which we all try to emulate. His advice and encouragement on the field have always proved most useful, and been given most unstintedly. At five he can still give one the hottest game and the hardest drubbing. The zeal and efficiency of the Corps is directly traceable to his leadership, and indeed, whatever department of school life you examine you will find that he

has put his mark upon it, and that it owes something, not merely to the interest he has taken in it, but to his actual participation therein.

But there is one thing for which not merely will his memory be cherished by us but he will be for ever beloved, and that is his sympathy. This he extended to everyone, and his assistance was always given in the most graceful and tactful ways. He has shown himself to have a penchant for helping lame dogs over stiles and has not given up the task even when some of them have snapped at the helping hand. Often and often I have seen him make a dead set at a "dud" that everyone else had given up as hopeless, or set about the reclamation of a rotter with infinite tact and patience and rarely has he failed to make the object of his efforts develop into a decent member of society. I know that some of those fellows realise now what they owe to him.

Miss Richards, who takes a deep interest in the School, and has the welfare of the prep. boys and smaller boarders very much at heart, has been indomitable in her efforts to maintain the efficiency of the internal arrangements of the house, and to keep up the tone of the School.

Mr. Richards is returning to Bradford where he has many friends, and will be able to renew many old associations. We wish both him and Miss Richards every happiness in their Northern sphere of activity.

Appointment of a New Head Master.

In June, the Governors appointed Brevet Lieut.-Colonel J. M. Wadmore to be our new Head Master.

Colonel Wadmore has been the Senior Science Master at Aldenham School. He gained an Open Science Scholarship from Exeter School to Trinity College, Oxford, and took a First Class in the Final Honours School of Natural Science, and proceeded to the degree of M.A. He was elected a Fellow of the Chemical Society in 1902.

Colonel Wadmore served in the Great War, being severely wounded in 1916. He was twice mentioned in the Secretary of State's list, and promoted Lieutenant-Colonel by Brevet for good services during the War.

The Sports.

The School Sports were held on Thursday, May the 17th. The weather was cool but fine, and the proceedings were watched by a representative gathering of parents and friends.

Although most of the trophies for team work are awarded between the Royalists and Foreigners, a house system of counting points was also introduced, and a shield awarded to the premier house. This was easily won by the Tudors, who obtained 914 points to the Yorkists' 525 and the Lancastrians' 191. The Lancastrians were unfortunate since their Captain, Ashton, was ill and unable to compete.

The Challenge Cup was won by the Royalists with 966 points against 914. Its destination for the year was in doubt until the last event, the tug-of-war.

The Championship was won by Waugh with 24½ points. He took first place in the 100 Yards and the 220 (substituted for the Hurdles), second in the Quarter-mile, and third in the Cross Country and High Jump, thus showing considerable versatility. Stearn was the runner-up: he gained 24 points, winning the Mile and Cross Country, taking second place in Throwing the Cricket Ball and in the Long Jump.

A novel feature was the Relay Race of a mile, which was run by eights from each house. When the batons changed hands at the last half-lap the Tudors were leading, but Gould's pace enabled the Yorkists to pull off the event.

Archdeacon Farmiloe, Mr. Bobby, and Mr. Ashton presented cups for various races, and we take this opportunity of saying how much we appreciate their magnificent prizes and the kindly thought which prompted them.

[The following account is from the "Bury Free Press."]

For the Sports the Head Master was President and Mr. R. B. Manley the energetic Hon. Secretary and Treasurer, with a Committee of Messrs. J. N. B. Ashton, E. D. Bobby, L. C. H. de Chateleux, A. S. Waugh, C. J. Hinnell, and T. H. Gould.

An excellent programme had been arranged, and this was carried through without a hitch, there being seen some capital running and jumping, with keen competition among the entrants, not only for the prizes, but also for marks for the House Championship Cup.

PRESENTATION OF PRIZES.

At the conclusion of the programme the company adjourned to the schoolroom, where the prizes were distributed by Mrs. H. B. Gray.

Calling upon Mrs. Gray to make the presentation, the Head Master thanked the visitors for "braving the elements" to see the sports and Mrs. Gray for coming to distribute the prizes. It was a great honour to have her present, he said, and they thanked her very much. He wished also to thank those who gave the prizes to encourage the contestants; Mr. Manley and the Committee for running the sports, which entailed a lot of work; and the Judges for their services. They had had most critical decisions to give, he continued, because the racing was so good and close, and it had been very difficult to make the awards in some of the contests. He hoped that all the competitors were satisfied with the decisions. (Applause).

Mrs. Gray then presented the prizes, also the School Champion Cup to Waugh and the Junior Cup to Fulcher. The Sports Cup was won by the Royalists, as were also the Games and Tug-of-War Cups, whilst the Tudor House took the School Hockey Shield, Lancaster House the Football Shield, and Tudor House the Sports Shield.

Canon Wilson, in a humorous address, proposed thanks to Mrs. Gray, remarking that she was the wife of a former schoolmaster. (Applause). They were grateful to her for her services. He condoled with the losers, commenting that he himself had generally been numbered among such at his school sports, owing no doubt to his weight. (Laughter).

The Mayor seconded the vote, and said they all appreciated what Canon Wilson had said of Mrs. Gray. He thought the boys had had a splendid afternoon's sport, and their thanks were due to the Coaches and Masters. Mr. Hooper congratulated the winners, and remarked upon the magnificent prizes.

The vote was heartily accorded.

On behalf of his wife, Dr. Gray thanked the company for their appreciation. It was just 50 years ago, he said, that he had the pleasure of winning the amateur light-weight boxing contest at Oxford—(applause)—and he was now ready to box anyone in the room. (Laughter). He had been a headmaster at a school for 80 years, and he never missed an athletic sports

meeting when it could be avoided. Some people said they attached too much importance to sport at public schools, but he thought that the Great War proved that nothing produced bravery more than sport. They were proud of the public schools, because they were great public institutions. He felt that the influence of public schools would always tell in the years to come. "Men may come and men may go, but the institutions will go on just the same," he concluded.

Cheers were called and loudly given for Mrs. Gray, the judges, the visitors, Mr. and Miss Richards and the staff, the visitors returning cheers for the boys.

Hockey.

BURY SCHOOL v. OLD BOYS.

This match was played on Friday, March 28rd, in very bad weather; the ground was very slippery and a slight drizzle lasted throughout the game which prevented both teams from playing their best. From beginning to end the game lacked excitement, and the result was an easy win for the Old Boys of 6—0. Teams:—

Old Boys.—Gough iv., Mackenzie, Steed, backs; Roach, U. Kilner, Strickland, halves; Conlan, McGlone, P. Ashton, Dowse, Naish, forwards.

Bury School.—Fletcher, goal; Gould, Mumford, backs; Mr. Manley, Stearn, Wayman, halves; Mr. Richards, Hinnell, Ashton (capt.), Gould, Birmingham, forwards.

BURY SCHOOL v. BURY 2ND XI.

Played on the Victory Ground under ideal conditions this match made a fine climax to the season, the School winning by 6—2. The game throughout was fast; the School showed their superiority in the first half by continually pressing and scoring twice, through Ashton and Mackenzie, the latter obtained his goal from a corner by a ruse in which Ashton took part.

In the second half Ashton was continually prominent; assisted by Stearn and supported by Mackenzie, he scored 4

more goals, to which the Town could only reply with 2. Fletcher, in goal, played a splendid game. Team:—

Bury School.—Fletcher, goal; Mumford, Mr. Richards, backs; Mr. Manley, Mr. Mackenzie, Boby, halves; Wayman, Hinnell, Ashton (capt.), Stearn, Birmingham, forwards.

CHARACTERS OF THE ELEVEN.

- *J. N. B. ASHTON (Captain) (centre-forward). A fast and skilful player, he has been responsible for most of the goals scored. Is inclined to be too gentle both as player and captain.
- *J. E. STEARN (centre-half). A valuable asset to the team. He is a reliable and hard-working player. His tackling is good. Is equally good in attack and defence. His passes are inclined to be too hard, particularly on uneven ground.
- †M. A. MUMFORD (left-back). Tackles well on his day. Is rather unreliable at stopping the ball. He hits hard.
- †T. H. GOULD (inside-right). His stick work and pace are good. He should pass more often. His shooting is hard and accurate. Has also played well at right-back.
- †W. FLETCHER (goal). Has filled this difficult position splendidly. He clears well, especially with his feet.
- C. J. HINNELL (outside-left). Has played well but has been rather wasted for most of the season in this awkward position. Has now found his position nearer the centre. He stops the ball well and centres hard. His passing is good.
- L. DE CHATELEUX (inside-left). Stops the ball well, but keeps it too long. He lacks speed. Must learn to shoot harder and quicker. His stick work is neat but he over does it.
- A. S. WAUGH (inside-right). Has very rarely been able to play this season, and so has not been seen at his best. Must learn to pass quicker. His pace is good.
- F. S. WAYMAN (left-half). Must remember to stop the ball with his hand and to pass quicker. He should try and hit the ball instead of pushing it.

E. D. BOBY (right-back). A vigorous player. Must learn to clear quicker. He sticks rather too freely. He worries his opponent well.

M. J. BIRMINGHAM (outside-right). Must learn to stop the ball. His centres are hard but rather inaccurate. Must get away quicker with the ball.

Also played:—

C. G. SETH (right-half). An energetic player. He is rather wild at times. Tackles his opponent well.

* 1st XI. Colours. † Half-Colours.

SECOND ELEVEN CHARACTERS.

- *D. ALSTON (Captain) (centre-half). Has been a painstaking and energetic captain. An indefatigable player, but is handicapped in reach and pace. His stick work has been marvellously accurate.
- *E. W. COOK (right-back). Sturdy in defence, greatly improved from last year, has combined well with his partner.
- *D. NORTON (centre-forward). Tries hard. His frequent absence has been a great loss to the forward line.
- *E. L. HALL I. (right-half). Has shaped excellently in his position, stops the ball well with his hand, and plays a hard game.
- *G. FULCHER I. (left-back). A steady player and hard hitter. Should make a very safe back.
- *N. B. THEOBALD (inside-right). Has pace and a good eye, but must learn to go ahead rather than give way when about to be tackled.
- F. M. BOWYER (outside-right). Has dash. Needs to hold his stick with both hands and try to combine his play with the rest of the forward line.
- L. G. GODBOLT (left-half). Is rather stiff and slow. Needs to be more vigorous, but has come on wonderfully.

- F. R. THOMSON (inside-right). Passes accurately, but needs to hold the ball longer. Is exceedingly energetic.
- A. R. HEXTALL (goal). A plucky player, who has greatly improved. Should clear to the wing when possible. Kicks well.
- W. E. R. BOND (outside-left). Handicapped by size. He tries and hits hard.

Also played :—

- G. V. RICHDALE. Played a thoroughly good game at outside-left. Has pace and makes ground.
- A. D. VIGORS. Showed promise, has a good eye, needs to combine more with the other forwards and not hang back.
- O. F. LOVELOCK. Works hard and combines well but passes rather soon.
- E. T. W. WHITING. Small, but tackles most determinedly. Has not yet fully learned the knack of combination.

D. ALSTON.

*2nd XI. Colours.

Cricket.

BURY SCHOOL v. BURY & WEST SUFFOLK.

The first match of the season was played on May 15th, at the Victory Ground, in very bad weather. The home team won the toss and decided to field. Mr. Tue and de Chateaux took the field first for the School. De Chateaux was soon dismissed, and Stearn, taking his place, was bowled by his first ball. With Mr. Richards at the wicket, runs came quicker, but Mr. Tue, who never looked at his ease, was soon bowled by a slow ball, and things were going badly for the School. Ashton now joined Mr. Richards, and the pair were settling down when Mr. Richards was caught in the slips. The game was then abandoned for a few minutes owing to the rain. When the game was resumed Mr. Manley joined Ashton but was soon dismissed. Gould hit two boundaries and then was bowled. Wayman made some nice shots to leg but was caught before he had made many runs. Ashton was batting steadily and runs were coming slowly. Mumford and Waugh

each made a few runs but were both caught. Eighty was up when Hinnell joined Ashton, and they managed to get 9 more before Hinnell was run out.

The match went on to 6.30 so that the School could field, but they were unable to get the first two batsmen out in the half-hour, who hit freely and made 81. The game thus ended in a draw—largely in favour of the home side. J.A. Scores :—

BURY SCHOOL.—de Chateaux, 0; Mr. Tue, 6; Stearn, 0; Mr. Richards, 7; Ashton (not out), 33; Mr. Manley, 1; Gould, 8; Wayman, 6; Mumford, 6; Waugh, 5; Hinnell, 0; Extras, 17. Total, 89.

BURY & WEST SUFFOLK.—Gosling (not out), 43; Brakespeare (not out), 25; Lake, Livock, Hume, did not bat; Extras, 13. Total (for no wkts.), 81.

BURY SCHOOL v. PAKENHAM.

This match was played at home on May 26th, in cold weather. The School batted first on a soft pitch and fared badly, de Chateaux being the only batsman to stay at the wicket for any length of time, he was unfortunately run out. The School's total score was 41 runs.

Pakenham's innings began disastrously, three wickets falling for 14 runs. After this, the game was adjourned for tea, which Mr. Richards kindly supplied to both teams. The remaining runs were easily obtained for the loss of two more wickets, and the Pakenham innings totalled 78.

Gould bowled well and at a slower pace than usual, with a big break, and obtained six wickets for 83 runs. Mumford secured two for 11. Thirty-eight of the Pakenham runs were scored by Bantick and included six fours. Scores :—

BURY SCHOOL.—Mr. Tue, 5; Wayman, 4; Stearn, 0; Mr. Richards, 1; Mr. Manley, 0; de Chateaux, 9; Gould, 3; Mumford, 8; Waugh, 0; Hinnell, 0; Birmingham (not out), 4; Extras, 7. Total, 41.

PAKENHAM.—Hitchcock, 8; Knight, 6; Reed, 0; Smith, 0; Bantick, 38; Owen, 3; Nunn, 9; Balls, 2; Gunn, 1; Kemp, 1; Ricken (not out), 0; Extras, 5. Total, 73.

BURY SCHOOL v. ELY SCHOOL.

This match was played on the Ely Ground on May 29th, in very unsettled weather.

On winning the toss the home team batted first. The first two batsmen made 48 between them, but were finally

dismissed by Birmingham, who bowled them in his third and fourth overs. Perfect then came in, and was bowled by Mumford for 14.

After lunch, play was checked considerably by rain. However, the home team continued batting. Wickets fell faster to the bowling of Mumford and Gould. On the fall of the eighth wicket our opponents declared, and, since rain now came on harder, we were unable to bat.

As regards the School bowling, Birmingham was the most successful, obtaining two wickets for 16 runs, while Mumford and Gould took three for 30 and three for 38 respectively. Scores :— C.J.H.

ELY SCHOOL.—McLennan, 10; Gilmore, 33; Perfect, 14; Coates, 1; Willson, 14; Olivey, 14; Coates ii. (not out), 10; Spence i., 0; Minifie iii., 3; Extras, 14. Total (for 8 wks.), 113.

BURY SCHOOL v. BOBY'S ATHLETIC.

This match was played on Saturday, June 2nd, on the School ground. The visitors batted first and wickets fell easily. Only one batsman reached double figures, and the innings closed for 46. Gould took five wickets for 18 runs, Mr. Richards four for 6, and Mumford one for 12. The visitors' bowling proved more deadly than the School's, Mr. Richards being the only batsman to face it for any time, and making the highest score, 14, which was equal to our opponents' most successful batsman. The School's innings closed with the small total of 23.

In the second innings the visitors made 17 runs for six wickets and then declared. Mr. Richards and Gould captured three wickets each. At the close of the match the School had made 10 runs for three wickets, Mr. Richards being the only batsman to score. Thus ended the match with a win for the visitors. Scores :— J.A.

BOBY'S ATHLETIC.—Tricker, 4; Plume, 4; Candler, 2, (not out) 0; Elmer, 3, 1; G. Hammond, 3, (not out) 2; Bridge, 14, 10; W. Hammond, 0; Thirtle, 0, 0; Clarke (not out), 4, 0; Chetwood, 2, 0; Neary, 0, 0; Extras, 10, 4. Totals, 46, and 17 (for 6 wks.).

BURY SCHOOL.—de Chateleux, 1; Wayman, 0, 0; Mr. Richards, 14, (not out) 7; Gould, 0; Mr. Manley, 1, 0; Ashton, 1, (not out) 0; Mumford, 4; Birmingham, 0, 0; Waugh, 0; Hinnell, 0; Boby (not out), 0; Extras, 2, 3. Totals, 23, and 10 (for 3 wks.).

BURY SCHOOL v. BURY UNITED.

This match was played on the School field on June 9th. The School batted first and made the useful total of 135. Mr. Richards played a faultless innings of 78 and was eventually run out. Mumford was the only other batsman to reach double figures.

Our opponents gave little trouble and were dismissed for 66. Only one batsman reached double figures. Gould obtained six wickets for 26 runs, and Mumford three for 30. Thus ended a good game, the School having won comfortably by 69 runs. Scores :— J.A.

BURY SCHOOL.—Mr. Tue, 7; Wayman, 3; Stearn, 8; Mr. Richards, 78; Ashton, 4; Mr. Hindle, 0; de Chateleux, 0; Mumford, 13; Hinnell (not out) 7; Gould, 5; Waugh, 6; Extras, 4. Total, 135.

BURY UNITED.—Eldred, 8; Montgomery, 3; T. E. Pawsey, 0; Minns, 1; Harrington, 20; Oliver, 3; Bonner, 2; E. G. Pawsey, 7; Higginson, 8; Bumstead (not out) 4; Garrard, 0; Extras, 10. Total, 66.

BURY SCHOOL v. EAST ANGLIAN SCHOOL.

This match was played at home on June 14th. The School won the toss and decided to field. Gould did very well in getting some of their best batsmen out. The School would probably have done better if everyone had fielded in his usual position. The East Anglians were very keen fielders and steady bats. If the last three or four batsmen had tried to play out time instead of attempting to make an impossible number of runs by "swiping," the result would have been a draw. Scores :— J.E.S.

EAST ANGLIAN SCHOOL.—Carter, 7; Haddon, 0; Daniel, 7; Bossman, 1; Payton, 14; Sawyer, 4; Symes, 1; Last (not out), 36; Stubbings, 1; Sanders (not out), 5; Rucklidge did not bat; Extras, 17. Total (for 8 wks.), 93.

BURY SCHOOL.—de Chateleux, 2; Birmingham, 1; Gould, 18; Ashton, 14; Stearn, 3; Mumford, 4; Waugh, 13; Hinnell, 1; Boby, 2; Fulcher, 0; Norton (not out), 0; Extras, 0. Total, 58.

BURY SCHOOL v. LAVENHAM.

This match was played on Saturday, June 16th, on the School field. The visitors batted first and made a total of 34 runs, six wickets falling to Gould for 10 runs, three to Mumford for 22, and one to Mr. Richards for 1.

The School's first wicket fell for 5, but de Chateleux, having been joined by Stearn, the score mounted up quickly, and between them they made the necessary runs, 16 and 25 being their scores respectively. Mumford was the most successful of the remaining batsmen, equalling de Chateleux's score. The total for the innings was 88. Scores:— J.A.

LAVENHAM.—Payne, 3; Thomson, 0; Roper, 0; A. E. Baker, 18; Mortlock, 5; Howe, 0; H. F. Baker, 1; Howlett, 0; Offord (not out), 6; Hoggan, 0; Steed, 0; Extras, 1. Total, 34.

BURY SCHOOL.—Mr. Tue, 2; de Chateleux, 16; Stearn, 25; Mr. Richards, 9; Ashton, 11; Mr. Manley, 0; Gould, 0; Mumford, 16; Waugh, 0; Birmingham, 0; Hinnell (not out), 0; Extras, 4. Total, 83.

BURY SCHOOL v. ELY SCHOOL.

The return match was played on the School ground, on Thursday the 21st June. Play commenced at mid-day. The visitors won the toss and batted first. Before lunch Bury took four wickets for 80 runs. When play was resumed the score was doubled before another wicket fell and the innings closed for 105.

Bury gave no trouble and were out for 52. Ashton was the only batsman to reach double figures. Scores:—

ELY SCHOOL.—MacLennan, 33; Gilmore, 8; Perfect, 0; Greenwood, 0; Coates, 0; Olivey, 32; Willson, 2; Grose, 11; Coates, 0; Minifie (not out), 4; Spence, 6; Extras, 9. Total, 105.

BURY SCHOOL.—de Chateleux, 4; Wayman, 0; Stearn, 9; Gould, 2; Ashton, 16; Mumford, 8; Waugh, 0; Birmingham, 6; Hinnell, 2; Norton, 1; Boby (not out), 2; Extras, 2. Total, 52.

BURY SCHOOL v. AMPTON.

The return match was played away on Saturday, July 7th, in beautiful weather. The home captain won the toss and put the School in to bat on a fast and true wicket. Mr. Tue and de Chateleux opened for the School, but Mr. Tue, on trying to hit, was bowled. Then Mr. Richards faced the bowling, but was soon out l.b.w. Stearn only stayed long enough to hit a 4. De Chateleux, who had been batting steadily, succumbed to Kirkby's bowling, and was followed by Mr. Manley, who hit a good 4 past point before being dismissed. Gould now joined Ashton, and the pair raised the score from 29 to 53 before Ashton was caught and bowled by Mr. Price. The next two batsmen were bowled by Kirkby, having made 2 each. Wayman helped Gould take the score

to 70, when Gould was caught, having made 17, the top score. Wayman was out before Waugh scored. Thus the innings closed for 75.

Ampton had an hour to make the runs. They hit up 78 for eight wickets, and, towards the end, looked like winning, but the School bowling and fielding was decidedly good. The only pair that gave much trouble were Watson and W. Cutter, who took the score from 28 to 49, after the fifth wicket, making 27 (not out) and 11 respectively. This very even and hardly contested game ended in a draw. Scores:— J.A.

FOREIGNERS v ROYALISTS.

This match was played on Tuesday, July 10th: the thunderstorm of the early morning, followed by a close hot afternoon, presumably reacted deleteriously on the accuracy of eye and vigour of some of the players. Much to everyone's surprise the Foreigners succumbed before the bowling of Gould and Birmingham in a most disconcerting manner, Stearn alone facing the deliveries with any success. Gould took five wickets for 14 and Birmingham five for 7.

The Royalists found the task of making runs easy: Gould hit merrily and scored 5 fours in his 86 not out. B.S.R. Scores:—

FOREIGNERS.—Fletcher, 3; Bowyer, 0; Stearn, 13; Waugh, 0; de Chateleux, 1; Mumford, 0; Alston, 2; Wreathall, 0; Gowen, 1; Vigors, 0; Ruff (not out), 1; Extras, 4. Total, 25.

BURY SCHOOL v. EAST ANGLIAN SCHOOL.

This return match was played on Saturday, July 14th, on the East Anglian School ground. Having won the toss the School fielded. The first two batsmen hit up 40 runs between them before Carter was run out. After this, wickets fell

slowly to the bowling of Wayman and Birmingham, until, at 108 for five, the home captain declared.

Ashton and de Chateaux opened the School innings, the latter, however, was soon bowled. Stearn then joined Ashton. Birmingham went in on Ashton being caught, but he was unfortunately bowled. Gould and Stearn then brought the score up to 87; they were the only two batsmen who made any stand. The remaining wickets fell quickly, however, Bobby scored a useful 11.

Birmingham bowled well throughout the match, his bowling being well pitched up and on the off; he obtained two wickets for 89. Wayman relieved Gould, and obtained two for 88. Bobby made a good catch at long-off, but some of the School fielding was very slack. Scores:— C.J.H.

EAST ANGLIAN SCHOOL.—Carter, 24; Daniel, 16; Payton, 31; Bossman, 7; Last, 13; Proe (not out), 0; Sennett (not out), 4; Symes, Sain, Stubbings, and Rucklidge, did not bat; Extras, 8. Total (for 5 wkts.), 103.

BURY SCHOOL.—de Chateaux, 0; Stearn, 18; Gould, 11; Birmingham, 0; Ashton, 9; Wayman, 0; Waugh, 1; Hinnell, 0; Bobby, 11; Fulcher, 0; Bond (not out), 0; Extras, 0. Total, 50.

BURY SCHOOL v. OLD BOYS' XI.

On Saturday, July 21st, one of the best matches of the season was played on the School ground against the Old Boys. The School won the toss and decided to field first. The first wicket fell before a run was scored, Roach being out to a splendid catch in the slips by Norton. The visitors were not able to master Gould's leg-breaks, and before lunch the score was 42 for six wickets. The stand made by the last batsmen, J. E. Greenland and C. F. Carliell who went in first was the "star turn" of the Old Boys' performance. From 57 they took the score to 106 before the latter was caught at point off a miss-hit, having made 40 and all but succeeding to carry his bat out. Greenland made 85 not out.

For the School, Gould took seven wickets for 85 runs, Norton made two excellent catches in the slips. De Chateaux and Wayman opened the School's innings, and after four maiden overs Wayman was bowled. When Stearn was dismissed only 16 runs had been made but Ashton and de Chateaux stopped the rot, taking the score to 80 before tea. When the game recommenced the pair added 26 to the score

before de Chateaux failed in attempting to pull a slow ball off his wickets; he made 20 in fine style. With Gould out for 1 things looked bad for the School, but Waugh made a good stand and stayed long enough to see 90 on the board. Mumford having been caught in the slips, Hinnell and Ashton by hitting several singles brought the score to our opponents' total when Ashton was caught and bowled by F. J. Wise having made a useful 52. With Birmingham and Hinnell out, Bobby added 10 to the score before he was stumped. Thus the School's innings closed with a total of 122 and a win by 16 runs. Scores:— J.A.

O.T.C. Notes.

This term the Corps has been very busy in preparation for the Annual Inspection. Two drills have been done each week, while, for the last week or two before the Inspection, three have been completed. Happily for all concerned the hot weather did not begin till the Inspection was over.

On Tuesday, July 8rd, Lieut.-Col. S. J. B. Barnardiston, D.S.O., inspected the Corps. A little platoon drill was done, after which an attack was carried out across the field. The Inspecting Officer then addressed the Corps saying that it had given him much pleasure to come up that morning. He then went on to say that the Officers' Training Corps prepared boys for their future career, teaching them discipline, which

was an essential point in the character of everyone. Lieut.-Colonel Barnardiston then inspected the armoury and shooting range.

The following report has been received from the War Office:—

The War Office,
London, S.W. 1,
11th July, 1928.

Sir,

I am directed to forward the following extracts from the remarks of the Inspecting Officer on the state of efficiency of the Contingent under your command:—

DRILL.—Good and up to standard. Non-commissioned Officers are keen and know their work.

MANCEUVRE.—A small tactical exercise was carried out demonstrating fire movement. This was quite satisfactory. Fire direction fair, fire control and discipline good.

DISCIPLINE.—Very good.

TURN-OUT.—Good. Some of the clothing requires more care as to cleanliness.

ARMS & EQUIPMENT.—Both in good order and well looked after.

BUILDINGS, ETC.—Armoury and store satisfactory and tidy.

GENERAL REMARKS.—The Officers (two) and Cadets are all very keen, and show considerable competence and knowledge, and the right spirit is shown by practically everybody in the School joining the O.T.C. on attaining the qualifying age.

I am, Sir,

Your obedient servant,

(Signed) S. H. GREEN, Major, G.S.

F. S. Wayman, who underwent the examination for Certificate "A" last term was successful in passing both the practical and theoretical parts. We tender him our congratulations.

Mr. Hindle has very kindly been instructing three or four cadets in wireless telegraphy this term.

This term Corporal Seth has undertaken very successfully the management of shooting on the miniature range.

This term the Corps has completed 19 drills.

We are much indebted to Captain Richards and Captain Bell who have spent so much time on training up the Corps for the Inspection. It may be seen from the report that their energies have been most successful in bringing the Corps to such a high standard of efficiency.

We have been glad to see the following Old Boys up this term:—Messrs. C. Steed, J. Greenland, C. Yelloly, E. Mackenzie, G. J. Hinnell, R. Lipsett, H. J. Bird, W. McGlone, G. S. Gough, P. L. Rhodes, H. A. Conlan, P. T. Symonds.

The Missionary Offertory this term amounted to 17s. 6d. It is allocated to the Canadian Maple Leaf Association.

The following books have been presented to the Fiction Library:—"The Dream Detective," presented by M. A. Mumford; "The Stranger in the House," presented by L. de Chateleux.

A play, followed by a concert, brought last term to a suitable conclusion. The play, "Jerry Bundler's Ghost," was spiritedly acted by Richdale, Cook, Crack, Mumford and Godbolt. Mumford played the principal part with great vigor, and Crack gained applause for his humorous interpretation of a minor part. The actors, one and all, are to be congratulated on the way in which they played their parts. The concert was in the capable hands of Mr. Richards, who, besides organising it, was prevailed on to sing several songs himself.

We congratulate Wayman on passing Certificate "A" in both its parts.

We hear that Mr. H. R. Barker has won the tournament of the Bury & West Suffolk Chess Club with the score of 18½ games out of 24. This is the second time that he has won the position of champion, the other occasion was three years ago.

A charming wedding was solemnised in the Cathedral on Thursday, June 28th, when Enid, the eldest daughter of Dr. and Mrs. J. S. Hinnell, was married to Thomas M. Ashton, the fourth son of Mr. and Mrs. H. Bankes Ashton. The School was particularly interested in the ceremony since, not only is Tom Ashton a popular Old Boy, but his younger brother is the School Cricket Captain, while our Head Boy is brother to the bride. We take this opportunity of tendering our congratulations and best wishes.

We are informed that Mr. C. S. Gough, and his nephew, H. R. Gough, both Old Boys, won the Handicap Doubles in the East of England Lawn Tennis Tournament at Felixstowe in July. H. R. Gough also won the Handicap Singles, Class B.

We regret to hear that R. T. Robins had a serious motor bicycle accident recently, and broke his wrist. We are pleased to be able to state that he is progressing as well as can be expected.

The Tudor House has won two Shields this term. The Sports one, awarded purely on the points gained in the events, and the Cricket Term Shield, awarded on the aggregate of points gained for work and cricket during the term. The games points which accrue to the house seem to be in the majority. Altogether, the Tudors have secured three of the four shields this year, the Hockey Shield also being won by them; the Lancastrians carrying off the Football Shield. Since this is the first year of the introduction of the House System the Foreigners may well be proud of their achievement.

Members of some of the higher forms have indulged in the Summer pastime of sitting for the Cambridge Locals, other members of the School have done the usual week's hard labour in the examination room at School. We hope that everyone's results may be a true reflection of his endeavours.

The Old Boys' Dinner was held at the Angel Hotel on July 21st. During the evening, Canon Wilson, our Comptroller, made a presentation to Mr. Richards, and, in an excellent speech, pointed out how much Mr. Richards had done for the School, to which Mr. Richards responded in suitable terms. Donations to the testimonial were contributed by Old Boys, Present Boys, and their Parents, Masters and friends of the School. A little book, with the names of contributors, was also handed to Mr. Richards.

A School Group was photographed this term with some success. The serious expressions seen on a few faces are doubtless due to stress of work attending impending exams.

The Tennis Court has been cleared for action, and, after much cutting and rolling, a tournament has been played on it.

Several boys have given considerable assistance with the ground work, which is always heavy during the Summer. We think that in particular Wreathall deserves honourable mention in this respect.

The swimming baths have been much frequented during the hot weather, and a great number of boys have learned to swim.

We congratulate Wayman on his attaining to the Prefecture.

The following Cricket honours have been awarded by the captain, John Ashton, to date:—1st XI. Colours: T. H. Gould, L. C. H. de Chateleux, J. E. Stearn, M. A. Mumford. Half-Colours: A. S. Waugh, F. S. Wayman, C. J. Hinnell, M. J. Birmingham, E. D. Bobby, D. H. Norton.

Second XI. Cricket Colours have been awarded by the 2nd XI. captain, D. Alston, to:—F. R. E. Thomson, and E. H. Wright has won his 2nd XI. tie.

Bowlers.

With regard to crops, this year the farmers have decided to grow their corns.

The man who thought he was going to sell the lion's skin was killed while trying to kill it. (B.C.M.)

Many of our bodies shall be remembered by brass tablets. (C.F.L.)

Prevention is better than cure. The proverb means that if an affair is prevented before it is begun then it can be exterminated much more easily than if it is curtailed after it has begun. (O.L.)
