VOL. XVI., No. 6.

## Editorial.

WHILE going the rounds one night I encountered our Representative, the Genius of the School, and had the temerity to ask him the burning question of the moment. "Sir," said I, "Tell me, are you a Liberal or a Conservative?" He looked at me with the concentrated wisdom of three-hundred years. "Know," said he, with the ghost of a smile, "I am both; I stand, as for centuries I have stood, for Progress and a Liberal Education, and at the same time I represent a most ancient and honourable Foundation, and conserve its Traditions." Then he told me of the past greatness of the School and showed me visions of its future.

But here it is my lot, and a very pleasing duty, to record the events of the present.

This term we welcome Colonel and Mrs. Wadmore to the School. We all hope that they are becoming as attached to Bury as we Burians are to them, and that consequently they will live long and happily in our midst and mark their regime as a golden era in the School's annals. Already we are beginning to experience the results of their care and thought in a number of improvements and comforts, and we shall hope to show them our appreciation of their efforts by rendering all the intelligent co-operation and whole-hearted support of which we are capable in their well-laid plans for the future of the School.

It was with great regret that we heard, in September, of the impending departure of Canon Wilson, our Comptroller, who for many years has been a Governor of the School, and has always taken the keenest interest in its welfare. We shall remember him not only because he preached to us on Sundays, sermons that we understood and liked, but also and more particularly because he frequently came among us—to judge at the Sports, to make an apt and humorous speech on Prize Day, or just, with his very human touch, to see how we were getting on. In his departure we feel not merely that the School is losing its chief but that we are losing a friend.

It is pleasant to record that the "*Burian*" is once again solvent. For the paying off of the remainder of the long-standing deficit we are indebted to the Old Boys' Association. We take this opportunity of thanking the Old Boys for their practical assistance, and we should also like to thank Mr. Groom for his staunch support. It is hoped to reduce the price of the Magazine in the New Year. Since there are no funds to draw on this will only be possible if outstanding subscriptions are settled off at once and current ones paid promptly on request.

In conclusion there is one bit of extraordinarily good news to relate, which, if it be not exactly a novel piece of intelligence to some of our readers will at least bear repetition in their ears without developing symptoms of anything worse than an attack of joyful impatience. We are credibly informed that after the election and the exams., Christmas is coming again this year; and further, that the School has been granted *a week's holiday* in preparation, and three weeks for recovery. Surely no *Burian* could want more!

### A Stone of the Foundation.

[The following account is taken from the "*Bury Post*."] ]

On the first Sunday of term, September the 23rd, a mural tablet recording the generosity of King Edward VI. in endowing the Grammar School and giving £200 to the Cathedral Church was unveiled.

The tablet is inscribed: "Our most noble Sovereign Lorde Edward VI., by the Grace of God Kyng of England, Francke and Irland, Defendour of the Faith and in earth of the Church of England and also of Irland, the Supreme Hed of his Godly devotion gave to the finishing of this Church CCLL. and also XXLL. yerlye for the maintenance of a fre Gramere Schole w'in this town, at ye humble sute of John Eyer and Xpofer Peyton Esquiers. Long lyfe and blyse to our Kyng."

The ceremony took place just prior to the sermon. Canon Wilson, with Dr. Hinnell (President of the Grammar School Old Boys' Association), and the latter's son, Mr. Charles Hinnell, who is the present Captain of the School, proceeded up the north aisle, preceded by the two Churchwardens (Mr.

W. N. Higgs and Mr. A. R. Christopherson), and the Verger (Mr. J. S. Hawkins). Dr. Hinnell and his son jointly unveiled the tablet, and Canon Wilson dedicated it in these words: "In the faith of Jesus Christ, we unveil this tablet to the glory of God, as a gift from the Old Boys of King Edward VI. Grammar School, in the name of the Father, the Son, and the Holy Ghost. Amen."

Canon Wilson preached an eloquent discourse from the words: "I therefore, the prisoner of the Lord, beseech you that ye walk worthy of the vocation wherewith ye are called" (Ephesians iv., 1). He said that the little ceremony that had taken place that morning required some explaining. In the year 1551, the boy King Edward VI. visited Bury, and finding that the work of repairing the nave of that church was being delayed for want of funds, presented £200 towards the finishing of the work, and at the same time he founded in this ancient borough the first of his famous Grammar Schools and endowed it with what was in those days the princely sum of £20 yearly. To commemorate that, an inscription was put above the porch of the west door. Eleven years ago, when he came to Bury, he (Canon Wilson) found that that inscription was almost obliterated. Expert advice told them that it could not be restored, and so, recently, the Old Boys of the Grammar School had had that inscription placed on the marble tablet, which they presented to the church. It had been unveiled that morning, by the head of the School, and by a worthy representative of the Old Boys, as a gift to the Cathedral. That morning he wanted to appeal to the boys of the Grammar School to live up to the standard set them by the text. For eleven years now he (Canon Wilson) had had the privilege of preaching to the boys from that pulpit. During the whole of that time he had also had the privilege of preparing the boys of that School for confirmation. He had always taken a very great interest in the Grammar School, and most of the time he had been one of the Governors, and recently he had been Chairman of the Governors or Comptroller of the School. He felt that he had the right under those circumstances to appeal to the boys now that they had, what he might call, passed another milestone in the history of that ancient School. He called it a fresh milestone because they were just starting a new term with a new Head Master, almost an entirely new staff, and naturally a certain number of new boys. He took that opportunity of warmly welcoming to that church the new Masters and the new boys, who, for the first time that day, were occupying the special seats reserved for them, in what had always been called the Royal

Chapel of the School. He reminded the boys that it was no ordinary school to which they belonged, and besides having been founded in 1551, it was a school which had great traditions, which they must live up to. Their school had contained famous men, who had done great service for church and state. He reminded the present scholars that they were expected, as members of the Grammar School, to walk worthy of the vocation and the high tradition to which they were called. In conclusion he urged the boys to keep their good resolutions.

[The tablet, which is placed at the west end of the north aisle, was designed by Mr. A. A. Hunt, the Diocesan Architect, free of charge].

### Cambridge Letter.

To the Editor of the "Burian."

DEAR SIR,

For once we have some specific news concerning the O.B.'s at Cambridge to record. Strange as it undoubtedly must seem, the small body of Burians at Cambridge has received two additions. These are W. J. Thompson (St. John's) who has been figuring with some success (we believe) at wing-three-quarter; and W. Darwin (Sidney), whose doings are hidden in the obscurity which always surrounds the truly great.

For the rest, G. J. Hinnell (Peterhouse) is Captain of his College Hockey XI., and A. L. Morton (Peterhouse) has been attempting to combine work with politics.

Amongst other possibilities is a Cambridge O.B. dinner.

Other features of the term have been the Election (of course), a race between Zev and Papyrus, in which the former repeated his American success, and the advent of a new weekly, "*The Gownsmen*." On the whole a satisfactory term, at least as far as concerns

Yours faithfully,

THE CAMBRIDGE O.B.'S.

### Debating Society.

The School Debating Society continued its meetings this term under new officers.

Six Debates have so far been held, namely:—"That Association Football is a better Sport than Hockey," lost by 5 votes to 16; "That Summer Time should be abolished," won by 17 votes to 9; "That Shakespeare is out of place in Schools," lost by 11 votes to 12; and "That the Conquest of the Air is a danger to Mankind," won by 17 votes to 9.

On November 29th, a Debate against the Masters was held, the motion before the House being that "The Government should do more for the Farmers." Proposed by the boys, opposed by the Masters.

Seven Debates will have been held by the end of the term. G.V.R.

### Obituary.

H. D. LLOYD.

We regret to announce the death, at Langford Budville, of Rev. Henry Dyson Lloyd, formerly Rector of Runnington. The deceased gentleman was in his 92nd year. He was educated at Bury St. Edmund's School (1846-52), and at Clare College, Cambridge, where he graduated M.A. in 1856. He was ordained by the Bishop of Peterborough in 1857. For some years he acted as private tutor to many men of distinguished rank—among others to the Duke of Somerset and his brothers. After holding a living in Shropshire for some years he was inducted to the living of Runnington in Somerset in 1896, but, owing to advancing years, resigned in the autumn of 1918, and took up his residence at Langford Budville. A courtly and scholarly minded gentleman of the old school, he drew the affectionate respect of all who knew him. The funeral took place at Runnington.

### CANON DORMER PIERCE.

We regret to hear of the sudden death of Canon Francis Dormer Pierce, Vicar of Brighton, who was at the School from 1880 to 1886.

While on his way to conduct morning service at St. Peter's Church, Brighton, he collapsed and died in a tram-

way-car. Canon Pierce, who was 54, had been under medical treatment for heart trouble for three weeks, and had been advised to curtail his activities. He ran for some distance to catch the car and sat down exhausted. A few minutes later he fell back in his seat and died.

Canon Pierce, who was appointed to Brighton in May 1917, was previously at Southend.

### Cricket.

#### KING EDWARD VI. SCHOOL v. AMPTON.

The match was played on the School ground, on Saturday the 23rd of June. The visitors won the toss and decided to field first. Mr. Tue and de Chateaux opened the School innings. Mr. Tue was bowled in the second over. Stearn and de Chateaux made a good partnership, the former doing most of the scoring while the latter batted steadily. When 60 was on the board, de Chateaux was dismissed by Mr. Price. The next five batsmen each helped to take the score to 117, when the School declared. For the School, Stearn made 45 in good style, and Mr. Manley, de Chateaux, and Ashton, each made a useful 15.

Ampton's wickets fell slowly to begin with until Gould got going, and from two wickets for 40 runs he made it five for 44. The next two batsmen took the score to 80 before stumps were drawn. Thus the match ended in a draw. Scores:—

J.A.

BURY SCHOOL.—Mr. Tue, 3; de Chateaux, 15; Stearn, 45; Mr. Richards, 8; Ashton, 15; Mr. Manley, 15; Gould, 11; Mumford (not out), 3; Wayman, Waugh, and Hinnell did not bat; Extras, 2. Total (for 7 wkts.), 117.

AMPTON.—Crosse, 10; Catton, 13; B. Cutter, 9; Bird, 0; Price, 0; Watson (not out), 7; Kirbby (not out), 27; W. Cutter, Cook, Brown, and Pocock did not bat; Extras, 14. Total (for 5 wkts.), 80.

#### KING EDWARD VI. SCHOOL v. BOBY'S ATHLETIC.

This match was played on the King's Road ground on the 30th of June. Mr. Tobin and de Chateaux opened the School's innings and played the bowling longer than any other pair. The first wicket fell for 20, and after that wickets fell easily all through the innings, which closed with a total of 66.

The home team's wickets fell slowly and the School's total was passed soon after the fourth wicket fell. Scores:— J.A.

BURY SCHOOL.—Mr. Tobin, 13; de Chateaux, 6; Mr. Richards, 4; Ashton, 9; Mr. Manley, 10; Gould, 1; Mumford, 4; Wayman, 3; Waugh, 10; Hinnell (not out), 1; Birmingham, 0; Extras, 5. Total, 66.

BOBY'S ATHLETIC.—Tricker, 41; Plume, 4; Bowen, 12; Candler, 0; Elmer, 1; Bridge (not out), 34; Hammond (not out), 7; Chetwood, Clarke, Marshall, and Peacock did not bat; Extras, 15. Total (for 5 wkts.), 114.

#### CHARACTERS OF THE ELEVEN.

\*†J. N. B. ASHTON (Captain). A very hard working and considerate captain; a reliable and stylish bat, responsible for most of the team's runs; a useful, but too modest, change bowler; and an excellent field. Members of his team might with advantage have tried harder to follow his sporting example.

†T. H. GOULD. He has improved his bowling by a good leg-break and by varying his pace. Has made some useful scores in batting, but must learn to keep his left shoulder well forward. His fielding is of the best.

\*†L. C. H. DE CHATEAUX. His batting has been disappointing. His strokes are good, but he is perhaps rather unlucky. His fielding is neat and generally safe.

†J. E. STEARN. His batting has much improved, but his keenness to score quickly often led him to destruction. His bowling was better towards the end of the season. Sacrifices pitch to speed. Is apt to be slack in the field and play a game which is not cricket.

†M. A. MUMFORD. A left-hand bowler of considerable pace. Has bowled well, but gives too many leg-balls. His fielding would be better if he wore boots. As a bat his motto is "A boundary or a duck." Has made some useful scores.

F. S. WAYMAN. Another left-hand bowler. Can bowl a very good ball, but gives too many loose ones. His batting is rather cramped and he does not keep his left shoulder forward. His fielding is inclined to be clumsy.

A. S. WAUGH. Must learn to stand up to the ball when batting. His bowling would be better if he were not so nervous. His fielding and throwing-in are good.

- C. J. HINNELL. Has acted as wicket-keeper quite well. Has not quite got in the way of judging the difficult snick catches. His batting has much improved, but must learn to put more strength into his strokes and to punish a loose ball. Can bowl a good slow ball.
- M. J. BIRMINGHAM. His bowling has much improved and should become very deadly. His batting is much better, but must keep his left shoulder forward. Is a safe field.
- E. D. BOBY. His batting has improved, but he still "swipes" too much. As a bowler he is very erratic. His fielding is not very safe.
- D. H. NORTON. His batting is rather weak. His bowling is erratic. His fielding and catching are of the best.

\* 1st XI. Colours, 1922. † 1st XI. Colours, 1923.

#### SECOND ELEVEN CHARACTERS.

- \*†D. ALSTON (Captain). Has proved an efficient captain. Has encouraged his team and set them an excellent example on the pitch and in the field.
- †W. FLETCHER. A good bowler and steady bat. He has been a great help to the team.
- \*†W. E. R. BOND. An enterprising bat, and a good fielder.
- †R. THOMSON. Is a confident batsman. Should be a good player with practice.
- G. FULCHER. Must learn to settle down before hitting out. Has been a good wicket-keeper.
- E. WRIGHT. Is a smart fielder, and keeps a good length in bowling.
- G. SETH. Has been unfortunate as a bat. Must always be ready for a catch.
- E. COOK. A somewhat erratic player. Must learn to stop the ball with his hands and not with his feet, when fielding.
- T. RUOFF. A smart fielder. Promises well as a batsman and bowler.

- G. WREATHALL. Is never quite at his ease while at the wicket. A good change bowler.
- F. BOWYER. Must learn to play a straight bat. Must get behind the ball in fielding.

\* 2nd XI. Colours, 1922. † 2nd XI. Colours, 1923.

### Football.

#### BURY SCHOOL v. KING'S SCHOOL, ELY.

The Football Season began disastrously on Saturday, October 6th, with an away match against Ely. At the commencement of the game Ely immediately attacked and scored. Play was always in the Bury half and Ely scored frequently with hard and well placed shots. Their accurate passing and excellent head-work were too much for the Bury team which lacked combination and dash.

Boby, at centre-half, worked hard, but did not pass enough. Fulcher did his work well at back. Hinnell, in goal, was called upon throughout the game and made many excellent saves. Thus, after a one-sided game, Ely won by 8-0. Team :-

J.A.

*Bury School.*—Hinnell, goal; Fulcher, Mumford, backs: Shearing, Boby, Cook, halves; Birmingham, Waugh, Ashton (capt.), Thomson, Bond, forwards.

#### BURY SCHOOL v. THE COUNTY SCHOOL.

Played away, Saturday, October 18th. Ashton won the toss and elected to play against wind and sun. From the kick-off the School soon put the County School on the defensive; Waugh and Birmingham were prominent on the right wing. After a quarter-of-an-hour the School opened the score, Ashton putting the ball in an open goal. Half-time found the score unaltered.

On the resumption of play the School again began to press, although the home team came very close to scoring, but the School backs were very safe. Ashton again scored from a mêlée in front of goal. Two corners fell quickly to the School, but no score resulted. The final whistle found the

score unaltered, and the School won a good game by 2 goals to love. Shearing played well at half; Cook shaped well at forward. Team:— J.A.

*Bury School.*—Hinnell, goal; Fulcher, Mumford, backs; Shearing, Boby, Thomson, halves; Bond, Cook, Ashton (capt.), Waugh, Birmingham, forwards.

---

BURY SCHOOL v. Y.M.C.A.

This match was played on the School ground on the 20th of October. The School lost the toss and played down the hill. The Y.M.C.A. forwards soon got together and scored a goal, which was quickly followed by another. The School now played better, but before half-time the Y.M.C.A. scored again from a good shot, making the score 3—0 in their favour.

Playing down, the Y.M.C.A. had most of the game, and scored five times. The School now began to assert themselves and managed to score from a centre from Mr. Dancy. Unfortunately, before the end of the match, a little feeling crept into the game, and Boby was hurt and had to leave the field, but he pluckily returned. The Y.M.C.A. scored again, making the final score 9—1. Boby played an excellent game, and Hinnell made some good saves, but the forwards were rather ragged. Team:— J.A.

*Bury School.*—Hinnell, goal; Fulcher, Mumford, backs; Shearing, Boby, Thomson, halves; Birmingham, Waugh, Ashton (capt.), Mr. Dancy, Mr. Manley, forwards.

---

ROYALISTS v. FOREIGNERS.

The result of this match, which was played on Thursday, October 25th, was a draw of 1—1. The absence of Boby, with a broken wrist, from the Royalists' side, weakened it; he however did his best from the touch line. Thomson also was not played. A very spirited game resulted. The Foreigners scored first through Doolittle. Ashton equalised, but, in spite of all efforts, no more goals resulted. As a compliment to their good play against heavy odds, Waugh awarded House Colours to every member of the Foreigners' team, thus creating a precedent. Teams:—

*Royalists.*—Godbolt, goal; Fulcher i., Birmingham, backs; Seth, Shearing, Hall i., halves; Bond, Gould, Ashton (capt.), Hinnell, Crowe, forwards.

*Foreigners.*—Fletcher, goal; Mumford, Waugh (capt.), backs; Wreathall, Alston, Doolittle, halves; Vigors, Farrow, Gowen, Smith, Woodgate, forwards.

---

BURY SCHOOL v. COUNTY SCHOOL.

This return match was played on the School ground on Saturday, November 3rd. A strong wind was blowing up the hill, which greatly aided the team playing in that direction. The School won the toss and decided to play up the hill. Play was quite even; after about 20 minutes Gould scored for the School. No further goals were scored before half-time.

In the second half our opponents pressed harder, aided by the wind, but were, for some time, unable to penetrate the School backs' defence. After about a quarter-of-an-hour the visitors equalised. Although both teams strove hard for a winning goal, neither obtained the mastery.

The School felt the loss of its Captain and Vice-Captain; nevertheless, Waugh played an excellent game at centre-half, rushing with the forwards and aiding in the defence. Fulcher and Cook made a strong defence, especially during the second half. Crowe, on the right wing, played a fine game, his centring being worthy of particular mention. Team:— C.H.

*Bury School.*—Hinnell, goal; Fulcher i., Cook, backs; Shearing, Waugh (capt.), Thomson, halves; Crowe, Birmingham, Gould, Alston, Bond, forwards.

---

BURY SCHOOL v. HAWSTEAD UNITED.

This match was played on the School ground on November 24th. The home team won the toss and played up the hill. The School pressed hard and Mr. Manley scored. Soon after, Birmingham scored, and within five minutes he had completed his hat-trick. Thus, at half-time, the School were 4 clear goals ahead.

After a few minutes' play Mr. Manley scored. The United forwards pressed hard and opened their score. No

more scoring took place, the game being evenly contested, until three minutes before the end of the game, when Birmingham sent in a flying shot, which brought the School goal total up to 6. Thus the School won by 6—1. Birmingham 4, and Mr. Manley 2. Team :— F.T.

*Bury School.*—Hinnell, goal; Fulcher, Cook, backs; Shearing, Thomson, Alston, halves; Boby, Waugh, Ashton (capt.), Birmingham, Bond, forwards.

---

#### ROYALISTS v. FOREIGNERS.

The replay of this match took place on November 29th, under arctic conditions. The ground was in a very bad state, making accurate football impossible. The Foreigners, playing down, immediately attacked, and were within an ace of scoring, but Cook brought relief with a strong kick. For ten minutes the play was even, then Bond scored, by a good shot, for the Royalists. Two more goals quickly followed, Wright being responsible. A fourth goal was obtained by Ashton, from a fine individual effort, before half-time.

In the second half, 8 more goals were added to the Royalists' score by Wright and Birmingham. The Foreigners, in spite of brave efforts, were unable to score. The Royalists won by 7—0.

Fletcher, in goal, played a sturdy game for the Foreigners, while Bond and Wright showed to advantage in the Royalists' forward line. Teams :—

*Royalists.*—Turvey, goal; Cook, Shearing, backs; Thomson, Fulcher i., Hall i., halves; Bond, Birmingham, Ashton (capt.), Wright, Crowe, forwards.

*Foreigners.*—Fletcher, goal; Wreathall, Waugh (capt.), backs; Parks, Alston, Doolittle, halves; Woodgate, Smith, Farrow i., Gowen, Vigors, forwards.

---

#### BURY SCHOOL v. GREAT BARTON UNITED.

This match was played on the School ground on December 1st. Barton scored first, following a free kick just outside the penalty area. Soon afterwards Barton scored again. There was no more scoring in the first half.

In the second half Waugh obtained a goal, and soon afterwards the School equalised. Just before time Barton

scored again. The School thus losing a good game by 3 goals to 2. Team :— G.F.

*Bury School.*—Hinnell, goal; Fulcher, Cook, backs; Shearing, Boby, Thomson, halves; Alston, Waugh, Ashton (capt.), Birmingham, Bond, forwards.

---

#### SECOND ELEVEN MATCH.

##### BURY SCHOOL v. KING'S SCHOOL, ELY.

This was the first match of the season. It was played in fairly good weather on our own ground on the 6th of October. Ely won the toss and decided to play up-hill with the wind, and with the sun at their backs. As soon as they found out that they were the heavier and faster team they began to press strongly. The score at half-time rested at 3—0 in the favour of Ely. The final score was 6—0.

Wreathall and Gooding i., at back, played a very neat game and cleared well. Fletcher, in goal, made some good saves. Crowe and Gould played a hard game, and Hall i. worried his man. Team :— W.F.

*Bury School.*—Fletcher, goal; Wreathall (capt.), Gooding i., backs; Seth, Carter, Hall i., halves; Thurlow, Wright, Gould, Abbot, Crowe, forwards.

#### Hockey Hints.

TO ALL.

Keep your eye on the ball.

Never "stick" [not ever].

Play on till the whistle blows.

Keep in good training and practice.

Push the ball away from you when you have stopped it.

Don't talk.

Always back up.

Don't tackle on the wrong side.

Practice stopping the ball with the hand.

Don't use the stick left-handed.  
 Remember combination is better than individualism.  
 Don't wait for the ball, move to meet it.  
 Use your hands to stop the ball when possible.  
 Get a copy of the rules and *learn* them.  
 Don't undercut the ball, it is dangerous and a foul.  
 Put your stick in wherever possible.  
 Turn towards, not away from your adversary.  
 See there are bars on your boots.  
 Use a stick you like.  
 Wear gloves and shin guards.

## TO FORWARDS.

Get a move on as soon as possible—let it be forward.  
 Swing the ball about.  
 Learn how to get the ball away from a "bully."  
 Shoot as soon as you are inside the circle.  
 Practice pushing the ball as well as hitting it.  
 Don't try to run with the ball on the stick, it may be spectacular but it is slow.  
 Outsides must keep on the line and stop the ball dead.  
 Let your passes be well forward.  
 Be quick with your stick.  
 Practice running up and down the field in line with the ball.  
 Dispense with so called shooting practice.

## TO HALVES.

Keep on the move—follow up.  
 Pass definitely to a man, don't just hit ahead.  
 Get back quick after taking a corner.  
 Always go forward with the ball, and get back to help the backs.  
 Go for the man with the ball.  
 Throw in along the ground, forward and hard—put spin on the ball.  
 Make ground if possible but don't hold the ball too much, give it to the forwards—remember it will travel faster than you can.

Mark your man, if he tricks you get back to him.  
 Wing halves pass occasionally to the other wing.

## TO BACKS.

Clear immediately and hard to the wing.  
 Get behind the ball to stop it.  
 Keep the ball outside the circle.  
 Tackle hard but not on the wrong side.  
 Don't bunch.  
 "See-saw" when your side is attacking.  
 Stop the ball, don't "swipe" at it.  
 Go straight for the man with the ball.

## TO GOALKEEPERS.

Clear to the wing, hard.  
 To stop the ball get behind it when possible.  
 Get to know your backs' play.  
 Shout if you are going to run out.  
 Practice kicking out.

## O.T.C. Notes.

This term there have been many alterations in the O.T.C. arrangements. The Wednesday 12—1 parade has been abolished, and in its place two 45-minute parades are held on Tuesday afternoon, which is entirely given up to O.T.C. work. This is a great benefit to the contingent, as the necessary number of parades is easily covered by this arrangement.

Rifles and equipment are now kept in the Gymnasium. This proves a far better place than the armoury, there being plenty of room for cadets to clean rifles, etc. There is room in the Gymnasium for everyone at once, whereas the armoury is only large enough for half-a-dozen cadets at a time.

The old "Awkward Squad" exists no more, and in its stead appears a flourishing troop of B. P. Scouts under the supervision of Mr. Dalton.

On Tuesday afternoons a special class, consisting of a dozen or so cadets, who will, in a term or so, become N.C.O's.,

is held by a sergeant from the Depôt. These cadets are instructed in giving commands, leading sections, and in musketry.

On Tuesday, October 30th, the Contingent took part in a Field Day at Cambridge. The Corps was in reserve, and unfortunately got out of touch with the contingent in front. For this reason we were late coming into action, and, after about ten minutes' engagement, we found that operations had come to a close. However, we all thoroughly enjoyed the day, and look forward to another next term, when, it is promised, we shall be in the front line.

On October 23rd, Sergt. Hinnell and Cpl. Seth underwent the Practical part of Certificate "A," in which both were successful.

The Command of the Corps is now in the capable hands of Major Hendin, M.C., who has a distinguished war service record. Lieutenant Dancy, who served two years in the forces during the war, has also been gazetted to the Corps. We hope that our officers may be as proud of us as we are of them.

The Corps will have completed 25 parades by the end of the term.

#### PROMOTIONS.

Corporal Birmingham to be Sergeant.  
Lance-Corporal Ashton to be Corporal.  
Cadet Waugh to be Lance-Corporal.  
Cadet Cook to be Lance-Corporal. C.J.H.

#### Scout Notes.

This term a Troup of B.P. Boy Scouts has been formed and has done a good deal of useful work. It was felt that, as the older boys may join the School Contingent of the O.T.C., it was desirable that some similar chance should be provided for younger boys; and here it is. The 8rd Bury St. Edmund's (King Edward VI. Grammar School) Troop is already a flourishing body which has burst forth into uniform and which is to be honoured, on December 11th, by a visit from the District Commissioner who will perform the swearing-in ceremony.

The Scout's Oath is a solemn thing; the boy who tries his utmost—and every Scout will do that—to carry out the

Scout Law and Promise will be a better man, a more loyal member of the School, and a happier boy for doing so. Self-discipline, useful knowledge, and enjoyable parades are the objects of the Troop.

There are at present 26 members of the Troop, in 4 patrols. Next term we hope to welcome more recruits. The Patrols and their leaders are:—Ram, Turner ii.; Eagle, Home; Fox, Burnside; Hound, Marshall ii.

<i>Vice-Captain</i>	E. D. Boby	D. Alston	G. Fulcher i.
<i>Committee</i>	- { L. Godbolt A. Crack G. G. Carter	G. Gowen	G. Seth
		E. Whiting	E. Bond
			C. Gould
<i>2nd XI. Captain</i>	H. W. Pike	R. A. R. Robinson	H. Gooding ii.

We congratulate C. G. Seth, M. J. Birmingham, A. S. Waugh, and E. W. Cook, on being appointed School Prefects.

We have been pleased to see the following Old Boys up this term:—Messrs. Hinnell, Hodges, Dowse, G. and R. Goldsmith, Lipscomb, Montgomery, Shaw, Symonds, Thwaites, and Yelloly.

The Yorkists have won the Football Team Shield this year. In work the Tudors lead with 88.8 points, as against 88.2 for the Yorkists, and 84.1 for the Lancastrians, but the difference is not sufficient to affect the destination of the Shield.

Last term we bade farewell to Mr. Tobin and Mr. Hindle who for two long and eventful years had worked and played with us.

We shall long remember Mr. Tobin for his jousyness and for his ability as a footballer and an actor, and Mr. Hindle for his thoroughness and his unremitting labours for our pleasure in setting up the wireless installation and tuning it up to concert pitch. Both are now in Lancashire, Mr. Tobin at his own old School—Stonyhurst.

Mr. Tue, also bearing with him our golden opinions, has gone north, returning to his own county of broad acres, where he has accepted a House Mastership at Roundhay School, Leeds.

We wish them all joy and success in their new spheres of action.

This term we extend our heartiest welcome to four new Masters as well as to Colonel Wadmore. Major H. T. R. Hendin, M.C., comes to us from Leeds University, of which he is a Bachelor of Science, to teach Science and Mathematics. During the War he served in France and Egypt, was badly wounded in 1916 in the Battle of the Somme, and gained his majority in the Royal Welsh Fusiliers. He has now been gazetted O.C. of the Corps.

Mr. W. H. Seymour, the Modern Language Master, is a B.A. of Trinity College, Dublin, where he obtained the First Class Honours Degree in Modern Literature. He served in the A.S.C. from 1914 to 1917, and consequently, like the Head Master, holds the 1914 Star.

Mr. H. W. Dancy is the Classics Master, he holds the Cambridge B.A. Degree in the Honours School of Classics. He served for two years in the Queen's Royal W. Surrey Regiment.

Mr. H. A. Dalton is the Geography and History Master, he is an Honours B.A. in English and History of Durham University. He was Jubilee Prizeman in 1922, and rowed in his college boat. During the War he joined the Navy and was on "H.M.S. Speedy." He is an experienced Scout-master and has formed a School Troop.

We also welcome Miss Redding as our Matron. The extraordinary demand for her cough mixture is perhaps some indication of her popularity and of the confidence we have in her.

With Miss Hardwicke as their Governess we feel sure that the Prep. boys will be led up in the way they should go without encountering hard knocks and bad shocks.

Old Buriians will be interested to hear that Captain G. B. Groom, partnered by Major Nicholson won the Open Doubles Tennis Championship of Jamaica. Captain Groom, who is in the West Indian Regiment, was School Football Captain in 1901.

We congratulate G. K. Nice, who has passed the Examination of the Associated Board of the Royal Academy of Music and the Royal College of Music in the Primary Division.

On the afternoon of Remembrance Day all the Foreigners, and a representative number of Royalists, voluntarily attended the Memorial Service held in the Cathedral.

A number of the Senior Members of the School were privileged to attend and take part in the Ceremonial Service of the Enthronement of the Bishop of St. Edmundsbury and Ipswich on November 27th.

We are pleased to hear that G. Hatt Lipscomb, who was Captain of the School in 1922, is doing well at King's College, London. He has been offered the post of Organist to the College, is Captain of Tennis for the Theological Faculty, and is a member of the College Hockey XI.

Wreaths were placed on the War Memorials in the Big School and Cathedral on Remembrance Day, and poppies in aid of St. Dunstan's Homes were sold to the value of £1, the demand being larger than the supply.

The Governors have decided to postpone Speech Day till the Summer Term, but it is thought that an informal prize distribution and a concert may form a fitting introduction to the Christmas festivities.

Amongst many improvements, Study Row has been re-decorated and is resplendent in green paint, grey paper, and glad smiles. The Museum has also been overhauled; it is now chiefly occupied by two most worthy specimens of the genus puer. The Sick Rooms are also arranged, and equipped to the best advantage, and ready for the worst cases who seem to avoid them, and the San. has been decorated and is about to be equipped.

The Fiction Library is undergoing renovation, new volumes are being substituted for some ancient and well worn tomes. To remove the old congestion more shelves have been erected and now there is room enough, and to spare. Efforts to fill these spaces will be greatly appreciated by all readers and gladly acknowledged by the librarian.

The Football Captain, J. Ashton, has awarded 1st XI. Colours to E. D. Boby, A. S. Waugh, C. J. Hinnell, G. L. Fulcher, F. R. E. Thomson, M. J. Birmingham, and A. Shearing; and Half-Colours to E. W. Cook, W. E. R. Bond, and D. Alston.

Lancaster House Colours have been awarded to Boby, Birmingham, Cook, Hall i.

Tudor House Colours have been awarded to the whole team by the Captain, A. S. Waugh. The recipients are:—Mumford, Alston, Wreathall, Fletcher, Doolittle, Vigers, Gowen, Woodgate, Smith, Farrow i.

York House Colours have been awarded by C. J. Hinnell to Fulcher i., Thomson, Seth, Bond, Shearing, Gould, Thurlow, Wright, Gooding i., Johnson ii.

G. Wreathall, the 2nd XI. Captain, has awarded 2nd XI. Colours to Seth, Wright, and Fletcher; Stockings to Gould, Carter, and Hall i.

We tender our heartiest congratulations to the recipients of these honours, and we hope that they will always be fit and at the top of their form.

There has been considerable activity on the field in the nature of ground work this term. Unfortunately the weather has been unpropitious, and much remains to be done. We hope to see numbers of willing workers actively engaged on the square, the bare patch, the tennis court, and the football pitches next term. Already the field is showing improvement for the work spent on it, and it is hoped by diligence soon to make it better than it has ever been heretofore.

A collection of School records and matters of interest is being made; the Editor would be very pleased to receive any information of this nature from O.B.'s. A list of the Head Boys of recent years, in order of succession, is at present giving considerable trouble.

We congratulate Godbolt on passing the Cranwell R.A.F. Entrance Exam. He was placed 18th out of 116 candidates.

We note the preferment of Bishop King to a Canonry at Rochester.
